

Holymic: The Future of Christian Broadcasting

Voice-first. AI-enhanced. Global by design. Transforming how the Church connects through technology.

"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." - Act 1:8

Our Divine Mission

To build the world's most trusted Christian audio platform.

Broadcast

Empower churches to share the gospel through voice.

Connect

Build stronger faith communities through audio.

Disciple

Reach nations through the simplicity of voice.

Fellowship

Fellowship and communion among brethren

The Market Gap We're Filling

✗ Outdated Tools

Churches struggle with antiquated digital outreach methods.

✗ Digital Distraction

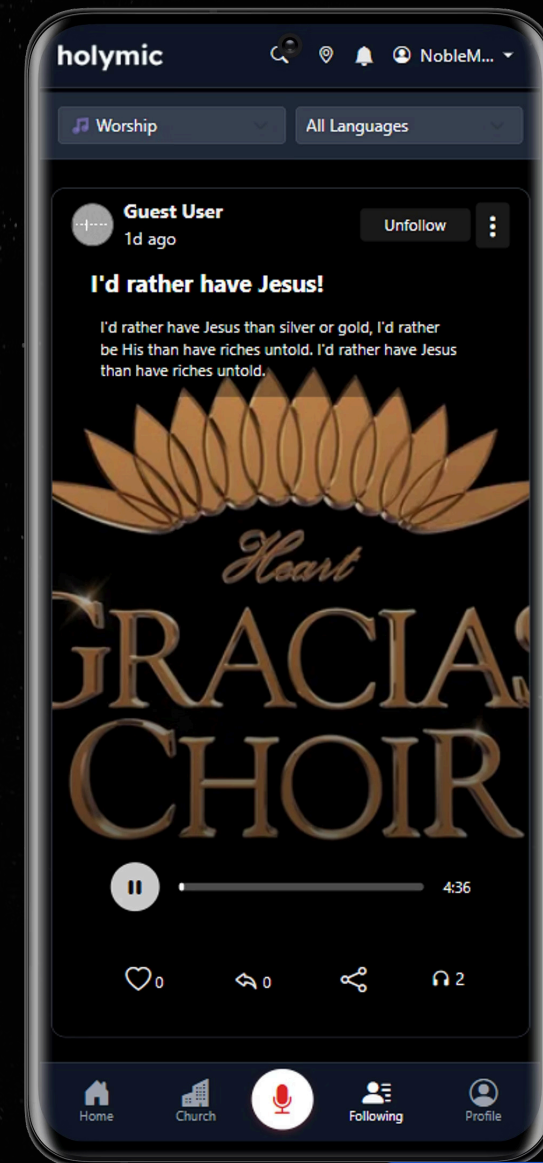

Believers' spiritual growth hindered by secular social media noise.

✗ Secular-First Platforms

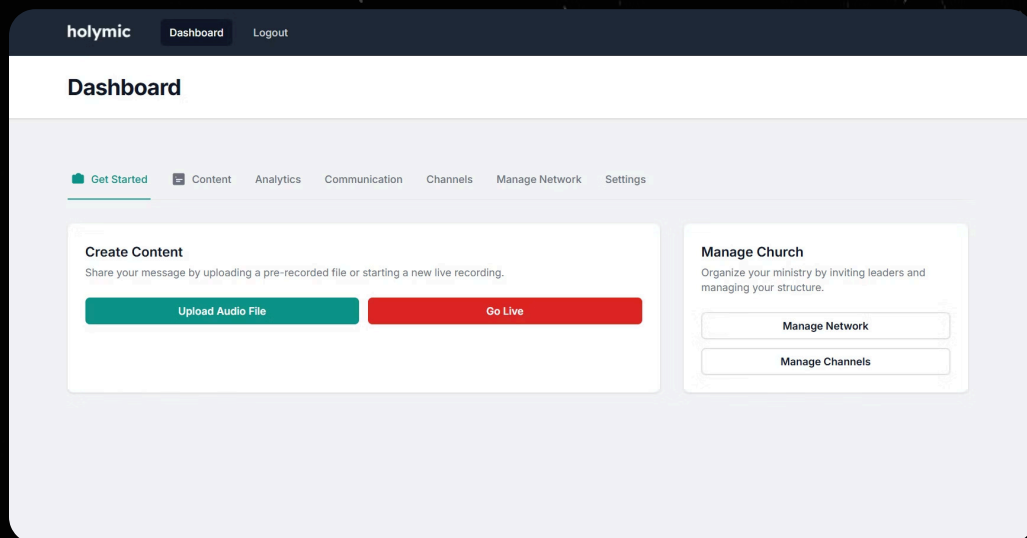

Existing solutions prioritize secular content over faith-based material.

✗ Limited Global Reach

Language barriers and infrastructure costs restrict worldwide ministry impact.

HolyMic: Voice-Powered Gospel Solution

A comprehensive media toolkit designed specifically for faith communities.

One-Tap Broadcasting

Share sermons instantly with your congregation.

Ministry Organization

Sort content by church branch or message type.

Instant Translation

Break language barriers with AI voice translation.

AI Content Creation

Transform sermons into devotionals automatically.

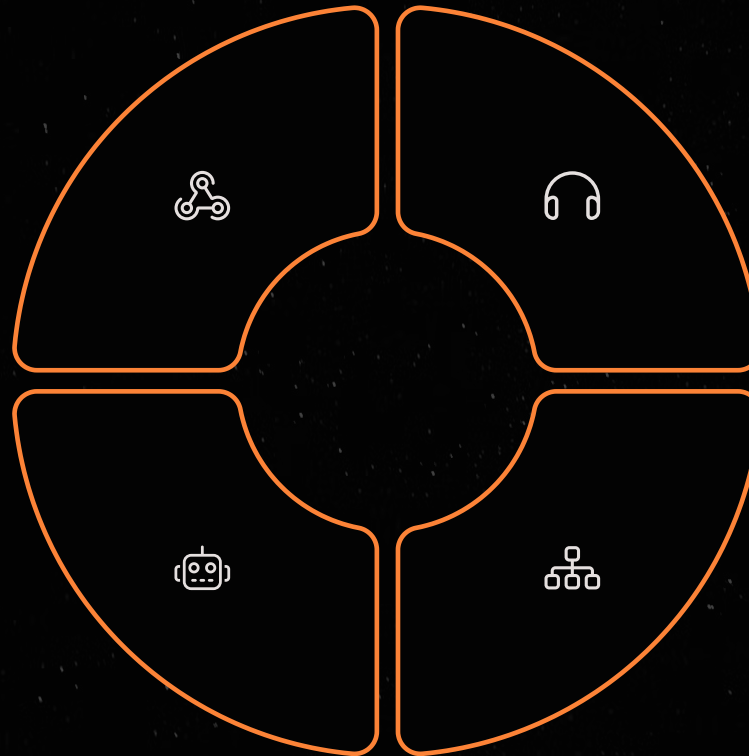

Product Architecture: Faith-Driven Technology

Web & Mobile

PWA-first approach through holymic.us and holymic.com domains.

AI Capabilities

Advanced translation, transcription, and content generation tools.

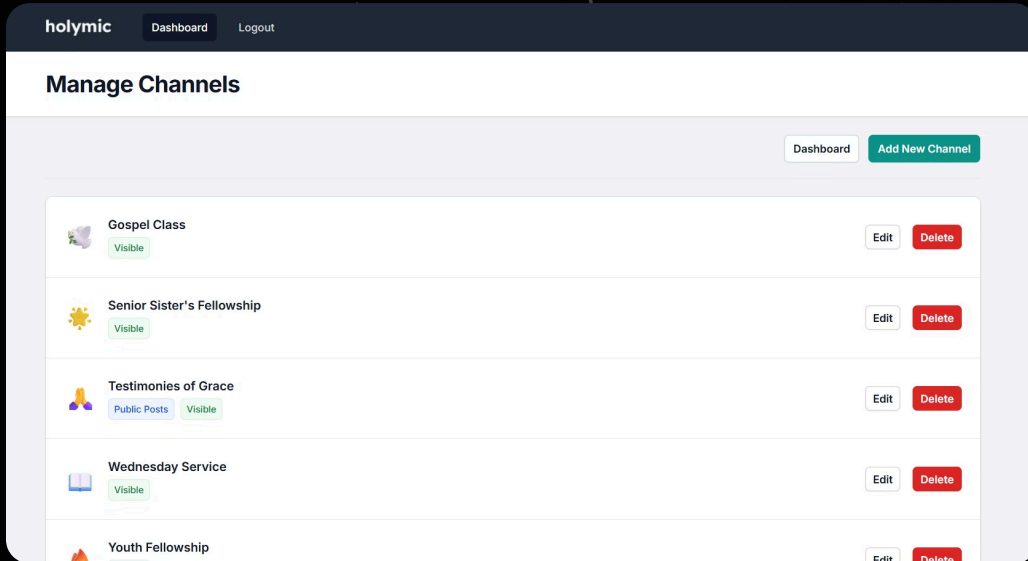

Cross-Platform Audio

Robust engine for seamless listening across all devices.

Ministry Hierarchy

Structured roles for HQ, Branch, and Sub-branch management.

Divine Timing: Why Now Is God's Moment

The convergence of faith and technology creates unprecedented opportunity.

Global Digital Church

Today's church transcends physical boundaries through mobile technology.

AI Translation Revolution

Language barriers fall as AI enables multilingual discipleship.

1

2

Audio Engagement Surge

Voice content consumption grows faster than text or video.

3

4

Faith-First Digital Void

Christian content lacks dedicated, purpose-built platforms.

Harvest Potential: Market Opportunity

2.5B+

Christians Worldwide

The largest faith community
on earth.

10M+

Global Churches

From mega-ministries to
house fellowships.

\$10B+

Market Potential

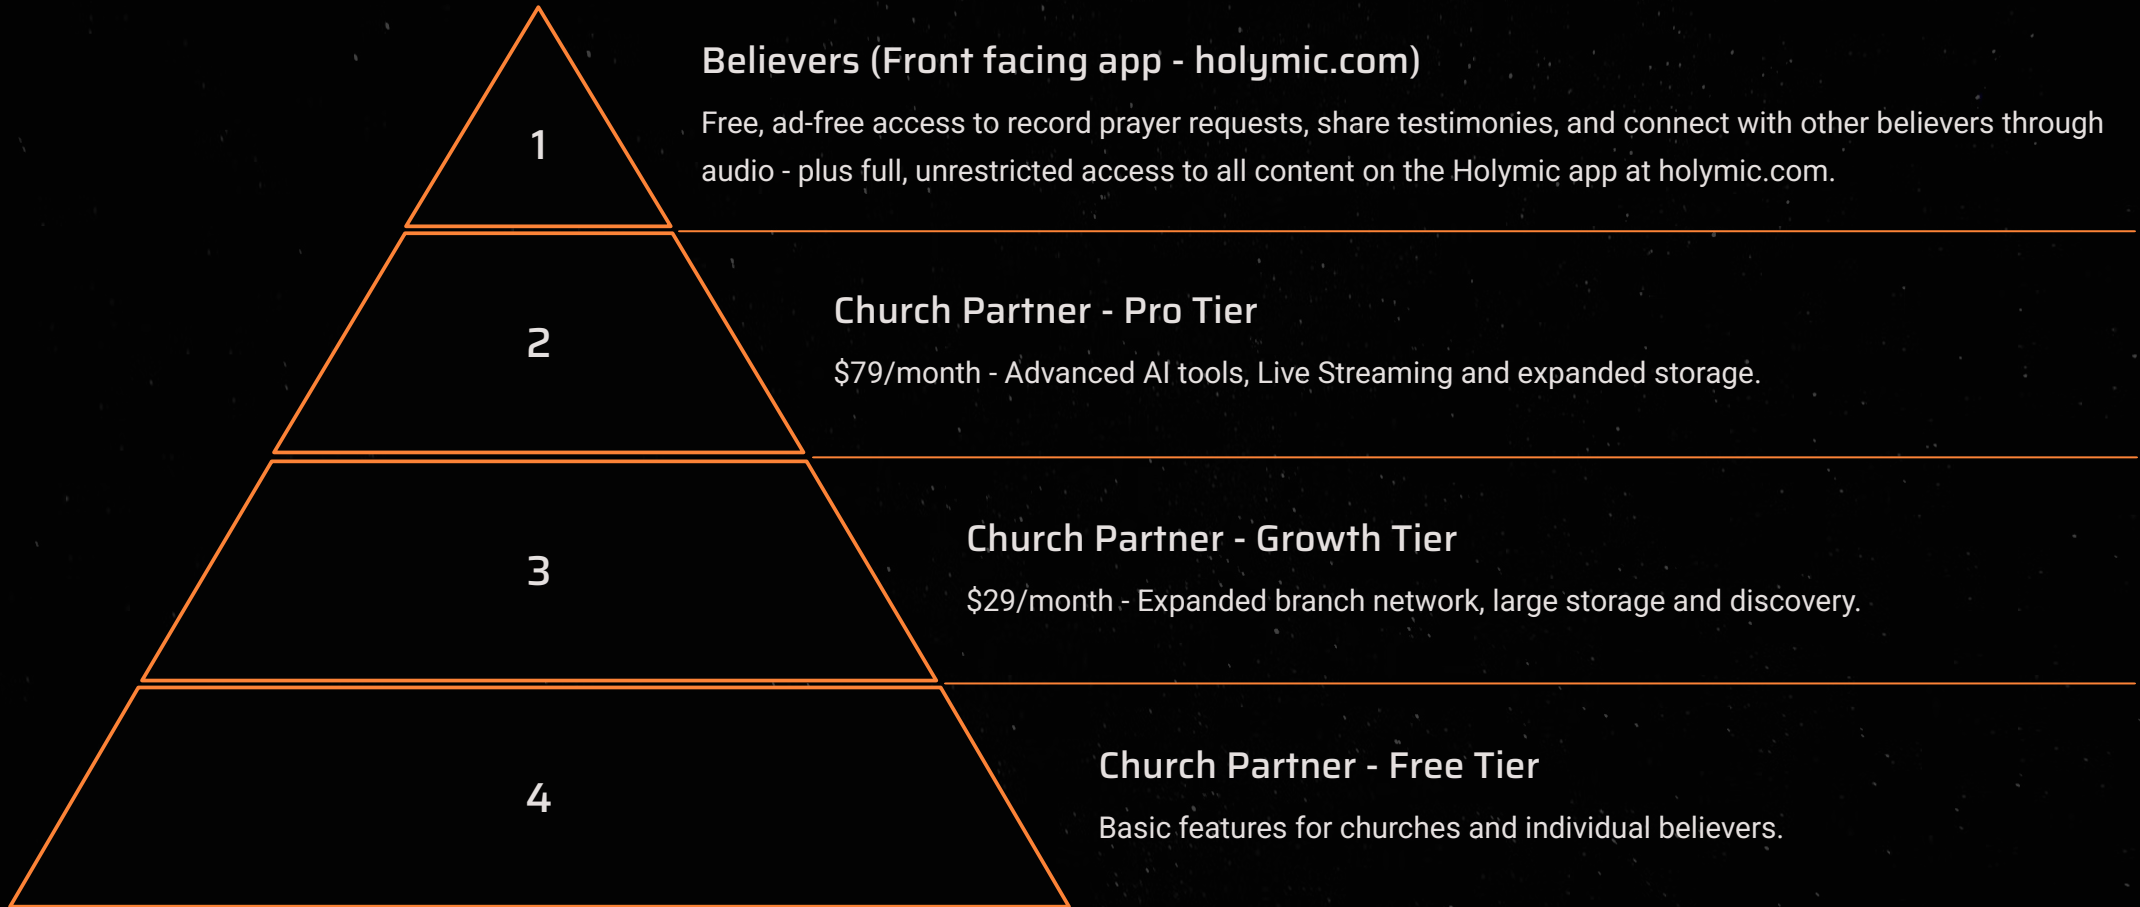

Christian media and
technology sector valuation.

Early Regional Traction

- Strong adoption across African nations
- Growing US church partnerships
- Diaspora communities bridging continents

Our platform resonates with believers seeking authentic connection.

Stewardship Model: Sustainable Growth

Our pricing strategy balances ministry accessibility with sustainable growth.

God's Favor: Early Traction

Platform Engagement

HolyMic.us for churches. HolyMic.com for listeners. Both driving daily spiritual content creation.

Platform Live

Both church and listener platforms fully operational.

Church Growth

50 churches within the Goodnews Mission Church Network actively onboarded, currently being trained and growing.

Daily Activity

We are yet to commence marketing for listener uploads as we conclude test phases

Global Adoption

We have onboarded Goodnews Mission Church with over 130 branches around the world + early adoption across Nigeria, Kenya, Ghana, UAE, and the US.

Partner in the Mission

Help keep the Gospel streaming, free and ad-free, for believers across the world.

Partner in Kingdom Technology

Invest

Join us in building the future of Christian broadcasting and Christ centered fellowship.
